We help landmine victims get legs, get jobs, and get on with their lives.

SURVIVOR PROFILE Mustafa Suvalic, Bosnia

Thanks to LSN support, landmine survivor Mustafa Suvalic is now able to provide for his family, and also give back to his community by donating tomatoes to an orphanage in Tuzla. "This is exactly how I perceive support," said Suvalic, "It is about receiving, and also being able to offer help to others."
